VIOLET FIRE AND TUBE OF LIGHT DECREE

0.01

by the Ascended Master Saint Germain

O my constant, loving I AM Presence, thou Light of God above me whose radiance forms a circle of fire before me to light my way:

I AM faithfully calling to thee to place a great pillar of Light from my own Mighty I AM God Presence all around me right now today! Keep it intact through every passing moment, manifesting as a shimmering shower of God's beautiful Light through which nothing human can ever pass. Into this beautiful electric circle of divinely charged energy direct a swift upsurge of the violet fire of Freedom's forgiving, transmuting flame!

Cause the ever expanding energy of this flame projected downward into the forcefield of my human energies to completely change every negative condition into the positive polarity of my own Great God Self! Let the magic of its mercy so purify my world with Light that all whom I contact shall always be blessed with the fragrance of violets from God's own heart in memory of the blessed dawning day when all discord—cause, effect, record, and memory—is forever changed into the Victory of Light and the peace of the ascended Jesus Christ.

I AM now constantly accepting the full power and manifestation of this flat of Light and calling it into instantaneous action by my own God-given free will and the power to accelerate without limit this sacred release of assistance from God's own heart until all men are ascended and God-free in the Light that never, never, never fails!

“Aum” x3

ALL HAIL, MIGHTY SERAPIS BEY

Lord of the Fourth Ray

224

All hail, Lord of Ascension's Flame

Mighty Serapis Bey

Chosen Son of Light

Raise thy torch, blazing forth

Sacred fire in each heart.

Sounding the light of Truth

Calling the faithful ones

We all lift our hearts, joyful praise

Worship raise unto our king.

Kneel we on bended knee

Pouring our love to thee

Grateful for Victory's release of light

All hail, hail to Serapis Bey

Hierarch of Luxor's light

Guardian of the flame brought of old

From afar in God's name.

To thee, Lord of Ascension's Flame

Homage and gratitude

Purity in love

Victory, majesty

Discipline in the Law

Serapis, we invoke

Holy fire of soul

To attain the goal

To ascend, to become *ope* with Life.

Help us to serve the Light

Vanguards of holy Light

Protectors of the right—the holy Light

O praise, praise to the Mighty One

For the ascension flame

From the heart of God

Cosmic grace, cosmic love

Thee we adore.

All of life, all of love, all of me.
All hail, Lord of Ascension's Flame
Holy seraphic hosts
Seraphim of Light
Guardians bright of the Light
From our hearts we adore.
Release ascension's flame
Into the souls of men
From the Central Sun
Penetrate, activate all in Light.

Sword of the living flame
In blest Serapis' name
Cut all the earth now free from density
I AM-I AM thy holy Light
Flowing around the earth
All-enfolding love in each heart
Heaven's ray glorify.

Our praise, holy Justinus
Head of seraphic bands
Thou the open door
Unify, purify
And our birthright restore
Liberty born of soul
No more the lesser goal
But the Son of God
Consciousness of the Light where God is.

Help us to serve the Light
Vanguards of holy Light
Protectors of the right—the holy Light
O praise, praise to the Mighty One
For the ascension flame
From the heart of God
Cosmic grace, cosmic love
Thee we adore.

I AM sealed in ascension's flame
I AM a living soul
Born of God's own love
Pulsing flame in the heart
Love, Wisdom, and Pow'r
Is the identity
One with the Father's love
Peace and harmony, energy
Christ the Light, Infinite Mind!

Oneness with thee to feel
Oneness with thee to heal
Oneness with thee to rise, eternally
I AM one with the pure in heart
Joining the heav'nly hosts
Of seraphic bands, seraphim
Angels bright, into the Light.

I come out of the Light with thee
Ever to do thy will
Destined to return
To my home, ne'er to roam
From the Light in God's heart.
Sing we hosannas now
Joyous in gratitude
God is All-in-all
All is life, all of love, all of me

I AM thy son, O Lord
Standing before the door
Of opportunity—to Victory.
O praise, praise to the Mighty One
For the ascension flame
From the heart of God
Cosmic grace, cosmic love
Thee we adore.

“Hail Serapis Bey” x3

The Mystery of Surrender

*A revelation of Mary the Mother of Jesus to the
messenger Elizabeth Clare Prophet*

Sign of the Cross

In the name of the Father and of the Mother and of the Son and of
the Holy Spirit, Amen.

Jesus' I AM Lord's Prayer

Our Father who art in heaven,
Hallowed be thy name, I AM.
I AM thy kingdom come
I AM thy will being done
I AM on earth even as I AM in heaven
I AM giving this day daily bread to all
I AM forgiving all life this day even as
I AM also all life forgiving me
I AM leading all men away from temptation
I AM delivering all men from every evil condition
I AM the kingdom
I AM the power and
I AM the glory of God in eternal, immortal
manifestation— All this I AM

Hail Mary

Hail, Mary, full of grace.
The Lord is with thee.
Blessed art thou among women
and blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us, sons and daughters of God,
now and at the hour of our victory
over sin, disease, and death. x3

Father, into thy hands I commend my spirit. (x3)

Introit to the Holy Christ Flame

1. Holy Christ Self above me,
Thou balance of my soul,
Let thy blessed radiance
Descend and make me whole.

Refrain: Thy flame within me ever blazes,
Thy peace about me ever raises,
Thy love protects and holds me,
Thy dazzling light enfolds me.
I AM thy threefold radiance,
I AM thy living presence
Expanding, expanding, expanding now.

- 2 Holy Christ flame within me,
Come, expand thy triune light;
Flood my being with the essence
Of the pink, blue, gold, and white.
- 3 Holy lifeline to my Presence,
Friend and brother ever dear,
Let me keep thy holy vigil,
Be thyself in action here.

Adoration to God

Beloved mighty I AM Presence,
Thou life that beats my heart,
Come now and take dominion,
Make me of thy life a part.
Rule supreme and live forever
In the flame ablaze within;
Let me from thee never sever,
Our reunion now begin.
All the days proceed in order
From the current of thy power,
Flowing forward like a river,
Rising upward like a tower.
I AM faithful to thy love ray
Blazing forth light as a sun;
I AM grateful for thy right way
And thy precious word "Well done."

I AM, I AM, I AM adoring thee! (three times)
O God, you are so magnificent! (nine times)
I AM, I AM, I AM adoring thee! (three times)

Moving onward to perfection,
I AM raised by love's great grace
To thy center of direction—
Behold, at last I see thy face.
Image of immortal power,
Wisdom, love, and honor, too,
Flood my being now with glory,
Let my eyes see none but you!

O God, you are so magnificent! (three times)
I AM, I AM, I AM adoring thee! (nine times)
O God, you are so magnificent! (three times)

My very own beloved I AM, beloved I AM, beloved I AM.

The Hour Is Come

In the name of the Father and of the Mother and of the Son and of the Holy Spirit, Amen.

1 Father, the hour is come; glorify thy Son, that thy Son also may glorify thee:

Hail Mary

2 As thou hast given him power over all flesh, that he should give eternal life to as many as thou hast given him.

Hail Mary

3 And this is life eternal, that they might know thee, the only true God, and Jesus Christ, whom thou hast sent.

Hail Mary

4 I have glorified thee on the earth: I have finished the work which thou gavest me to do.

Hail Mary

5 And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was.

Hail Mary

6 I have manifested thy name unto the men which thou gavest me out of the world: thine they were, and thou gavest them me; and they have kept thy word.

Hail Mary

7 Now they have known that all things what so ever thou hast given me are of thee.

Hail Mary

8 For I have given unto them the words which thou gavest me; and they have received them and have known surely that I came out from thee, and they have believed that thou didst send me.

Hail Mary

9 I pray for them: I pray not for the world, but for them which thou hast given me; for they are thine.

Hail Mary

10 And all mine are thine, and thine are mine; and I am glorified in them.

Hail Mary

11 And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are.

Hail Mary

12 While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition, that the scripture might be fulfilled.

Hail Mary

13 And now come I to thee; and these things I speak in the world, that they might have my joy fulfilled in themselves.

Hail Mary

14 I have given them thy word; and the world hath hated them, because they are not of the world, even as I am not of the world.

Hail Mary

15 I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil.

Hail Mary

16 They are not of the world, even as I am not of the world.

Hail Mary

17 Sanctify them through thy truth: thy word is truth.

Hail Mary

18 As thou hast sent me into the world, even so have I also sent them into the world.

Hail Mary

19 And for their sakes I sanctify myself, that they also might be sanctified through the truth.

Hail Mary

20 Neither pray I for these alone, but for them also which shall believe on me through their word;

Hail Mary

21 That they all may be one; as thou, Father, art in me and I in thee, that they also may be one in us: that the world may believe that thou hast sent me.

Hail Mary

22 And the glory which thou gavest me I have given them; that they may be one, even as we are one:

Hail Mary

23 I in them and thou in me, that they may be made perfect in one; and that the world may know that thou hast sent me and hast loved them as thou hast loved me.

Hail Mary

24 Father, I will that they also, whom thou hast given me, be with me where I am; that they may behold my glory, which thou hast given me: for thou lovedst me before the foundation of the world.

Hail Mary

25 O righteous Father, the world hath not known thee: but I have known thee, and these have known that thou hast sent me.

Hail Mary

26 And I have declared unto them thy name — I AM THAT I AM —and will declare it: that the love wherewith thou hast loved me may be in them, and I in them.

Hail Mary

In the name of the Father and of the Mother and of the Son and of the Holy Spirit, Amen.

Not my will, not my will, not my will, but thine be done! (x9)

I Surrender

In the name of the Father and of the Mother and of the Son and of the Holy Spirit, Amen.

In the name of the I AM THAT I AM, the one true God, I surrender all that is less than the Christ consciousness within me!

In the name of Jesus the Christ, I surrender all that is less than the manifest perfection of my being!

In the name of the Holy Spirit, I surrender all misuses of the sacred fire within my four lower bodies!

In the name of the Holy of Holies, I invoke the flame of the Holy Spirit upon the altar of my heart and I declare this temple to be the temple of the living God!

In the name of the Christ, the only begotten Son of the Father, full of grace and truth, I surrender all mortal consciousness and mortality, all struggle and the sense of struggle, all sin, disease, and death!

In the name of the Divine Mother and in the name of the immaculate heart of Mary, I surrender all that is less than the purity of the Cosmic Virgin!

In the name of the I AM Presence of all life, I AM THAT I AM!

In the name of the Father-Mother God, I surrender the spirals of all selfishness and self-love, all self-pity, self-justification, and self-condemnation— all self-awareness apart from the flame of life!

In the name of the one true God, my own Real Self, I declare:

I AM this day a son of God!

I AM the blazing reality of the noonday!

I AM the living presence of love!

I AM the Word incarnate!

I AM the threefold flame of love, wisdom, and power!

I AM a son of God!

By the authority of the flame of immortal truth which I AM, I surrender all human consciousness— the human ego, the human will, the human pride, the human intellect, and all human momentums less than the fullness of the Christ Presence which I AM!

In the name of the I AM THAT I AM, the Almighty One, I surrender all identity apart from the blessed Son of God!

I AM THAT I AM!

I AM the full and perfect manifestation of the immaculate conception of divinity held in the sacred heart of Mary the Mother!

I AM the fullness of the presence of living Truth!

I AM the Holy Comforter!

I AM THAT I AM!

In the name of Jesus the Christ, I surrender all manifestations of evil, all indulgence in error!

I surrender, by the flame of God-reality, all unreality and the dweller on the threshold!

In the name of Jesus the Christ, I call to Michael the Archangel to descend into the forcefield of this God flame!

And by the authority of the I AM Presence, I demand the binding of the carnal mind, the antichrist, all luciferian, satanic, and temporal power that has ever manifested in or through my four lower bodies and my soul consciousness!

In the name of Jesus the Christ, I call for the twelve legions of angels from the heart of the Father-Mother God to descend into

this forcefield in time and space to consecrate the flame of the Cosmic Christ consciousness within me!

In the name of Jesus the Christ, in the name of my own Christ Self and the I AM Presence, the Beloved One, I surrender the not-self, the fallen one, and the consciousness of sin, disease, and death!

I surrender the spirals of disintegration and I invoke the spirals of integration where I am!

I AM THAT I AM!

In the name of Jesus the Christ and by the authority of the two witnesses, in the name and by the authority of the entire Spirit of the Great White Brotherhood and the World Mother, I surrender unto Almighty God this day all manifestations and incarnations of evil throughout the Macrocosm and the microcosm of my own self-awareness:

I surrender the carnal mind, the antichrist, the Devil and Satan!

I surrender unto the Lord the fallen ones, the rebellious spirits, all demons and discarnates, and the arch deceivers of mankind!

I AM THAT I AM!

In the name of the living God, I surrender unto the Lord the dragon who stood before the Woman who was ready to be delivered, to devour her child as soon as it was born and who went to make war with the remnant of her seed!

In the name of Jesus the Christ, I AM THAT I AM!

I AM Alpha and Omega, the beginning and the ending, saith the Lord, which is and which was and which is to come, the Almighty!

I AM THAT I AM!

In the name of the living God, I surrender the beast that rose up out of the sea and the dragon who gave him his power and his seat and great authority!

I surrender all that would usurp the consciousness of the Christ within the Macrocosm and the microcosm of my own self-awareness!

Lo, I AM THAT I AM!

I AM Alpha and Omega, the beginning and the ending!

In the name of Jesus the Christ, I surrender the beast that came up out of the earth!

I surrender the beast, the image of the beast, the mark of the beast, and the number of his name!

In the name of Jesus the Christ, the King of Kings and Lord of Lords, in the name of the Faithful and True and the armies of the Lord, in the name of the Lamb and the hundred forty and four thousand, in the name of the Woman clothed with the Sun, in the name of the Divine Manchild who liveth forevermore and the saints that overcame the dragon by the blood of the Lamb and by the word of their testimony, I AM THAT I AM!

I surrender the dragon and the antichrist, the beast, the false prophet, and the great whore within the microcosm and the Macrocosm of my own self-awareness!

In the name of the Father and of the Mother and of the Son and of the Holy Spirit, Amen.

(Here you may insert the prayer of your personal surrender)

Insert by Mother

Mighty I AM Presence, we surrender. We pray in our hearts that personal surrender, that all that is left, that is not Christ in us is surrendered on the altar of God. And we do pray, O God, that our own Christ Self might fill now all of this temple with every quality and condition of the sacred fire that is meet and anent to our own divine plan and electronic blueprint, even the Electronic Presence of our twin flames.

I call now for the Electronic Presence of myself and my twin flame and that of every true Keeper of the Flame on earth. Let it magnetize the Cosmic Christ to displace this Antichrist which we have surrendered, O God, that we might fill in the gaps occupied by the former roots of pride and rebellion.

Therefore we say:

I AM Alpha and Omega,
the beginning and the ending.
Behold, I AM alive forevermore.
Behold, I AM Alpha and Omega,
the beginning and the ending,
which is and which was
and which is to come,
the Almighty.

I AM THAT I AM x3

Hail Mary

Hail, Mary, full of grace.
The Lord is with thee.
Blessed art thou among women
and blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us, sons and daughters of God,
now and at the hour of our victory
over sin, disease, and death. x3

Jesus' I AM Lord's Prayer

Our Father who art in heaven,
Hallowed be thy name, I AM.
I AM thy kingdom come
I AM thy will being done
I AM on earth even as I AM in heaven
I AM giving this day daily bread to all
I AM forgiving all life this day even as
I AM also all life forgiving me
I AM leading all men away from temptation
I AM delivering all men from every evil condition
I AM the kingdom
I AM the power and
I AM the glory of God in eternal, immortal

All this I AM.

I AM God's sacred power
Freeing every one

Michael, Michael, Michael
Prince of the archangels
From the grateful hearts of all
Do songs of praise arise.
For thy heavenly presence
All on earth adore thee
God from the Sun
In all the name implies.

Michael, Michael, Michael
May the guardian angels
From thy heavenly legions
Stand forth to set all free.
Purify, illumine
Manifest the glory
Of light's perfection
That each one may be.

Jophiel and Chamuel
Gabriel and Raphael
Uriel and Zadkiel
And mighty hosts of light.
Cherubim and seraphim
From the realms of glory
Rend now the veil
That dims our human sight.

Blessed seven archangels
For illumination
We invoke thy presence
In hymns of praise to thee.
Keep us consecrated
To God's plan fulfilling
In purity
Thy ministers to be

Lord Michael before,
Lord Michael behind
Lord Michael to the right,

Lord Michael above,

I AM his Love protecting here!
I AM his Love protecting here!

I AM PRESENCE, THOU ART MASTER

10.11

I AM Presence, Thou art Master,
I AM Presence, clear the way!
Let thy Light and all thy Power
Take possession here this hour!

Charge with Victory's mastery
Blaze blue lightning, blaze thy substance!
Into this thy form descend,
That Perfection and its Glory
Shall blaze forth and earth transcend!

The Mother of the World has ordained: "Winds, gather ye! Snows, gather ye! Birds, hold ye back! Beasts, stand ye back!

"No human foot shall set its traces on My Summit. The audacity of the dark ones shall not surmount! The light of the moon shall not endure! But the sun rays shall touch the Peak.

"Sun, guard My Summit, because where else shall I keep My Vigil? Never shall beast ascend, nor shall human power prevail!"

Herself, the Mother of all Being, shall keep Her Vigil with a fiery shield. What glows upon the Summit? Why have the whirlwinds assembled a resplendent crown?

She, the Great Mother, alone ascended the Summit. And none shall follow Her.

Upon the highest summit stands effulgent the Mother of the World. She came forth to smite the darkness. Why are the enemies fallen? And whither do they turn their eyes in desperation? She has cloaked Herself in a fiery mantle and encircled Herself in a fiery wall. She is our citadel and our striving.

ALTERNATE PREAMBLE TO 10.00

**PRAYERS TO ARCHANGEL MICHAEL
FOR THE DELIVERANCE OF GOD'S PEOPLE ON EARTH**

O Light of the Ancient of Days, Send to us now the luminous presence of thy beloved Archangel Michael.

Legions of the Central Sun, Light of far-off worlds, Elohim: In this hour of our Lord's descent into Death and Hell, send to us therefore the armies of the LORD, the company of saints, the defender in battle, Archangel Michael.

Defend now, O blessed emissary of God, even the holy innocents, our precious children and youth and all Lightbearers in the service of our God.

Beloved Archangel Jophiel, beloved Archangel Chamuel, beloved Archangel Gabriel, beloved Archangel Raphael, beloved Archangel Uriel, beloved Archangel Zadkiel, beloved Archangel Uzziel, hear our Call! *Answer now* in the presence of the Prince of the Archangels, Saint Michael, august leader of the hosts of Light.

Let us welcome our beloved Archangel Michael and his many legions who gather in this city of Our Lady, the Queen of the Angels.

O hosts of the LORD from every system and galaxy and star, from the realms of Spirit descend to planet earth for the deliverance of souls and children, and men and women and nations.

Archangel Michael, in the name I AM THAT I AM, we bow before the Light within thee, before thy cosmic faith and diligence in keeping the vigil of our very life. Defender of the Church, Defender of the Faith and of the Woman Clothed with the Sun and her Manchild, blessed one of God:

Come now and hear our call and our longing to be with thee in the octaves of Light before the Throne of Glory, even as we desire with the deep desiring of our hearts to also descend with thee, in commemoration of the crucifixion of our Lord, to the very depths of Death and Hell, into the very pit itself. So we would go there with thee for the binding of the devils and the fallen angels, for the binding of those unclean spirits whose hour has come for the Final Judgment before the Court of the Sacred Fire.

O beloved Mighty I AM Presence, in the name I AM THAT I AM, we send love and light and the crown of our causal bodies this day in gratitude for the service of Archangel Michael and his legions of Light to all earth's evolutions and throughout the galaxies of Light.

Beloved Alpha and Omega, bless now our beloved Archangel Michael with dispensations and hosts of Light and armies sent from out of the higher octaves to assist in his service upon earth in the cleaning out of the focuses of the bottomless pit and the acceleration of that service, O God, for the very binding of Death

and Hell and the casting of the entire astral plane and the false hierarchy into the lake of sacred fire.

Elohim of God and Spirit of the Great White Brotherhood, Cosmic Councils of the Sun, we call forth thy intercession for and on behalf of Archangel Michael that all of the earth this day might render him praise and assistance, prayers and glory unto the *LORD* that he might fulfil his inner vow to defend the Christed ones.

We call unto the nine powers of the Holy Spirit and the angel choirs thereof. We call to the hosts of seraphim in the name of Justinus, Captain of Seraphic Bands, and to the mighty cherubim who keep the way of the Tree of Life at the Mystery School of Lord Maitreya. Hear our call in this hour for the hosts of the *LORD* to gather in the name of Vishnu, in the name of the Cosmic Christ, the Universal One, for the binding of all evil forces in this hour of the Kali Yuga and its Dark Cycle, [namely_____]

Almighty God, let the power of Satan and the seed of Satan in the earth be bound this day in the full power and presence of Archangel Michael and his legions of Light! And let the resurrection of the eternal Christ be now unto every son and daughter of God upon earth.

Beloved Mighty I AM Presence, beloved Mother Mary, intercede for us this day before the Father, before thy Son, Jesus, for and on behalf of every son and daughter of God upon earth—every child of God in whom there burns a threefold flame. Let them be visited by Archangel Uriel in the full, flaming presence of the power of the resurrection. Let them be visited by Archangel Gabriel

with the annunciation of the Path of the Ascension and the revelation of the Mighty I AM Presence.

I call upon the Great Central Sun, the Four and Twenty Elders, the LORD God Almighty. Let there be a quickening in the hearts of all those who have descended from that Central Sun who are the Children of the Sun. And let the renewal, the elevation, the resurrection, the regeneration come forth now!

Let it be done, O God, according to Thy purpose!

In the name of the living Christ, in the name of the Father and of the Son and of the Holy Spirit, in the name of the Mother, I AM the sealing of the sons and daughters of God upon this earth on the Path of the Ascension this day and forever. Amen.

1. *Saint Michael the Archangel, defend us in Armageddon, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, bind the forces of Death and Hell, the seed of Satan, the false hierarchy of Antichrist, and all evil spirits who wander through the world for the ruin of souls, and remand them to the Court of the Sacred Fire for their Final Judgment [including _____]*

2. *Cast out the dark ones and their darkness, the evildoers and their evil words and works, cause, effect, record and memory, into the lake of sacred fire "prepared for the devil and his angels."*

In the name of the Father, the Son, the Holy Spirit, and the Mother, Amen. (x3)

3. Our beloved Father, in the name I AM THAT I AM, in the name LORD God Almighty, we call forth Thy Light through Thy blessed servant-son Archangel Michael and his legions of Light, the seven mighty archangels, the choirs of angels and the principalities and thrones of angelic graces and hierarchies of Light. We ask the LORD'S intercession through myriad angels and bands of angels, including the Choirs of Seraphim, of Cherubim, of Thrones, of Angels, of Dominions, of Powers, of Virtues, of Principalities, and of Archangels.

We call now for the binding of Death and Hell and its denizens who have come to the hour of the Final Judgment. We call to Almighty God and to the legions of the Lord Jesus Christ and of the entire Spirit of the Great White Brotherhood, all saints in heaven. We command this entire planetary body be cleaned out by the blessed legions of the LORD'S hosts, the Cosmic Christ, Alpha and Omega, die legions of Surya and Cuzco, legions of angels of the First Ray of God's Will serving under the banners of Lord Maitreya and the World Mother, the Mighty Blue Eagle from Sirius and the Great Teams of Conquerors!

Beloved Mighty I AM Presence, hear our call and answer in this hour of world need. We pray, then, for the deliverance of this nation under God. We pray for the deliverance of the planetary body, according to Thy divine plan, from nuclear war, from terminal diseases, from the genetic engineering of the fallen ones, from rock music and drugs upon our youth, from all strains of darkness and death devouring not only the physical bodies but the souls of God's people [including _____]

In thy name *Elohim*, we command the deliverance of our planet this day from all infestations of demons and discarnates causing insanity and depravity, murder, assassination, and spiritual suicide.

Beloved Mighty I AM Presence, we demand the binding of all fallen angels, beginning with the Watchers, their godless creation, the Nephilim gods and their mechanization man. *Blaze* the full power of the Great Central Sun for the binding of Serpent and his seed, for the binding of all seed of Satan and seed of Lucifer who remain since the Final Judgment of the latter.

We call upon the LORD God Almighty this day. We call unto the Great Central Sun Magnet. *Burn* through, O Powers of Light! By the authority of the Christ within us, we beseech you this day to give absolute God protection to the Church Universal and Triumphant, the Mystical Body of God in heaven and on earth, to every Keeper of the Flame and Lightbearer and all who are destined to make their ascension in this life.

We call for the cutting free of the Keepers of the Flame Fraternity, of the Teachings of the Ascended Masters, of our Camelot and our Royal Teton Ranch. We call for the cutting free of our Messengers and staff and all who are students of the Masters' Teachings. We call upon the LORD'S host to clear the way for these Teachings to reach every man, woman, and child of God's heart upon this earth. Clear the way, beloved Archangel Michael and hosts of the LORD, for the quickening of hearts in the service of the Great White Brotherhood.

We call for God-victory now over all enemies of the Holy Church and betrayers of the living Word who—with avowed destruction—move against this Church, this Messenger and Teaching and the Body of God on earth. In the name of the Cosmic Christ, Lord Maitreya, Gautama Buddha and Sanat Kumara, we command that these individuals be bound in this hour, their evil intent nullified, by the full power of Archangel Michael.

And we call for the setting free of the Lightbearers and the freedom fighters in every nation to Cut the economies free! Cut the governments free! Cut the societies free! Cut the people free!

Cut the educational systems free! Cut the churches free! Cut the youth and children free!

Cut free, Archangel Michael and legions of Light, with your mighty swords of blue flame, each one gathered here in supplication. Hear our prayers, O God! Cut us free from all addiction and binding habit, all self-limitation and spiritual blindness, all selfishness and self-love that does not enable us to see Thee and Thy Will clearly, O God.

Blessed Father, we call in the name of Archangel Michael for dispensations from the Great Central Sun for this mighty archangel to enter now and bind the hordes of demons and discarnates and especially the entire crowd of fallen ones who plotted the betrayal and the judgment, the trial and the crucifixion of Jesus Christ and have continued to plot against the servant sons and daughters of God in this and every age.

Blaze the Light through! Blaze the Light through! Blaze the Light through! We demand the Final Judgment of their specific

lifestreams in this hour, O God—and of all those whose names are not found written in the Book of Life: _____]

[And we demand the exorcism by Mighty Astrea of all possessing demons and discarnates and the false hierarchy of Antichrist working through the fallen ones against God's holy people, namely _____]

In the name I AM THAT I AM, we demand the action of the sacred fire in this hour, O God. Come forth now, Thou WORD of God, Thou Faithful and True with the armies of heaven!

Come forth in the Victory of the God Flame! Come forth *now* in the Victory of the God Flame!

O LORD most holy, LORD Sanat Kumara, descend into our midst in this hour. We demand the binding and judgment of all those who have ever stood as the false witnesses, the accuser, and the condemner of the brethren and of the Christed ones.

In the name I AM THAT I AM, we demand the binding of the Liar and the lie, the Murderer and his murderous intent in every conspiracy that is pitted against the Light of the United States of America, of the true God-government in every nation and the true religion undefiled before God and the Father that is manifest in our hearts and in the hearts of the faithful everywhere.

We call for Life and Liberty and the cutting free of God's people on the entire face of this earth from World Communism, from the bondage of materialism, from the infestations and cancers of evil and foul spirits possessing the souls and the bodies of the people.

We call to you, beloved Jesus and Mother Mary, Saint Germain and all the hosts of the LORD in this hour. We commit our prayers unto you. We commit our spirits unto you. We commit the spirits and souls of our families, our friends, our loved ones, and all to whom we are karmically tied, all Lightbearers and all mankind unto the Father, the Son, the Holy Spirit, and the eternal Mother.

“In the Holy Name of God, I AM THAT I AM, Amen!” (x5)

“Praise the LORD I AM THAT I AM Sanat Kumara” (x4)

And freeing men for Light's new birth.

To where Love's glory lives again.
And when the tears at last are dry—
Wiped by God's image from our eye
Our vict'ry's bloom an ode will be
To Life's celestial harmony.

The efforts made, forgotten then
Will all be changed by vision fair
The music of the spheres we'll sing
Shall gladden all life everywhere.
So come, then, blessed radiant ones
Thy councils wise shall purify
As angel songs now fill the skies
To lead men back to paradise.

THE LORD'S JUDGMENT BY THE RUBY RAY 33.00 THROUGH
ARCHANGEL CHAMUEL AND CHARITY JULY 7, 1985

*In the name I AM THAT I AM ELOHIM Saint Germain, Portia,
Guru Ma, Lanello. In the name I AM THAT I AM Sanat Kumara,
Gautama Buddha, Lord Maitreya, Jesus Christ.*

In the name of the beloved mighty victorious Presence of God, I AM in me, my very own beloved Holy Christ Self, Holy Christ Selves of all mankind, beloved Alpha and Omega, beloved Helios and Vesta, beloved Elohim of God, twelve mighty archangels of the LORD, legions of Light from the heart of God in the Great Central Sun, Mighty Cosmos and Astrea, beloved Justinus, Captain of Seraphic Bands, seraphim and cherubim of God, the Lords of Karma, the Cosmic Council and the Four and Twenty Elders, the beloved Maha Chohan and the seven chohans of the rays, beloved Guru Ma and Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth!

The Decree goes forth: Thus far and no farther! Either the earth is to be destroyed for the infamy of the fallen ones, else they themselves must have the instantaneous return by the Ruby Ray of that which they have sent forth. Thus the Holy Spirit has decreed in the case of those who have murdered the heir or attempted to murder the heir, the Son of God within this Messenger, these Keepers of the Flame, this Church Universal and Triumphant: They, then, are bound—lest in destroying they destroy the innocent!

In the name of Alpha and Omega, in the name of the Great Central Sun, we send forth in the Holy Spirit, in the Father and the Son, the full power of the Ruby Ray, the full power of the action of the Judgment of the LORD God Almighty in the Ruby Ray, sealed in the violet flame, sealed in Mighty Cosmos' secret rays, sealed in the

first ray of the Father, the second ray of the Son, and the white fire of the Mother!

Therefore we demand the binding of those who have denied the power of the Great White Brotherhood in the flesh, who have gone forth to murder and kill those who are the lawful representatives of Sanat Kumara in the earth. We are demanding the release of the Ruby Ray in this hour for the confounding of the seed of the wicked and the dark ones and the destroyers and those of anarchy and atheism and terrorism—those who have succumbed to Death and Hell and have made themselves a part of those very vicious ones who are also bound by the Ruby Ray.

In the name of Archangel Michael and the Archangel and Archeia of the Ninth Ray, we send forth all legions of Light, twelve archangels and their archeiai into the very pits of Death and Hell for the binding therefore of the scoundrels and those who have gone forth as the betrayers of the Word!

(optional insert)

Let them howl! They are bound in this hour! And the full fire of the Ruby Ray does descend in this hour as it did in the day of the confounding of tongues. And those tongues have remained confounded unto this hour by the power, wisdom, and love of Almighty God.

Therefore, we say, in the name of the living Word, by the authority of the Lord Christ, by the power of the Holy Spirit through the Father and the Mother: There is descended that exact quickening, by the laser beam of the Ruby Ray, of the Judgment of the fallen ones who have determined (and who do not cease to wag their tongues in their determination) to destroy the Holy of Holies of God and the dispensation of the Everlasting Gospel and the Light of the Aquarian age.

Therefore the Word is gone forth. They are bound in this hour! They are bound in the name I AM THAT I AM and the full power of the YOD HE VAU HE, the power of Elohim, the power of El Shaddai, the power of El Elyon, the power of the I AM THAT I AM. They are bound and turned back!

Lo, it is done! Lo, the Ruby Ray is driven now into the very core of the Darkness that has used them, that is focused in the intergalactic powers of the fallen ones of Death and Hell!

Blaze the light of the Ruby Ray! Burn through into the very core of them and their spacecraft and all of their darkness spread abroad throughout the galaxies! Blaze the Light for the dissolution and the binding of their demons and discarnates in the name of Saint Germain!

We have spoken the determination and the fiat of the **LORD** God. We come as emissaries of the Central Sun! We come in answer to the call of Keepers of the Flame!

The Light is gone forth.

The Light shall go forth, and It shall descend!

They shall not stand! They shall be turned back! **(3x)**

And we say again: heaven and earth may pass away, but this Word will not pass away. This Word is engraven in the molecules of the earth.

It is the power of the Ruby Ray unleashed from the Holy Kumaras, who have determined with the Cosmic Council in this hour that:

They shall not pass! They shall not enter in! They shall not destroy freedom of religion in America or in the earth— freedom of the press, freedom to assemble, nor shall they abuse their right of free speech! And they shall not be allowed to trample upon the Holy of Holies of the Christ flame of each and every one of the little ones of God upon earth!

Therefore the Ruby-Ray Judgment does go forth upon abortion and the abortionist aborting every part of life— physical, spiritual, mental, and in the desire bodies of the Lightbearers!

The Ruby Ray does go forth for the binding and the Judgment in this hour of all those who are the purveyors of drugs, all of those who are the seed of the wicked!

And this Ruby-Ray Judgment does intensify in this hour all of that which has gone forth in the past. And it is therefore the decree of the Word. And the Word itself embodied in the Call shall go forth from the hearts of the Keepers of the Flame who will make the choice to be initiates of the Ruby Ray and therefore be protected in this mighty Work of the *LORD*.

Hosts of Light, legions of white fire, legions of the Ruby Ray, descend now! Mark the sign of the ruby cross over this City of the Angels and let it be duplicated now over every city and town upon earth. Let the full power of the sign of the ruby cross be the mark that is given by the *LORD* God—the same one who sent forth the power of Moses and Elijah and Elisha, the same, the one who sent forth Samuel, who sent forth the Lord Christ, who sent forth Gautama Buddha, who sent Maitreya, who sent all of the saints since Zarathustra, who shall not be denied in the earth, who shall not be ridiculed, who shall not be gainsaid!

And let those who trample on the Holy of Holies of another's religion heed then the word of Chamuel and Charity! For the *LORD* God will not allow it. For the Lord Sanat Kumara is come into the earth in this hour and is in the very fullness of that God-determination to unleash the lightning of the Universal Christ that does come out of the East and unto the West and returns to the East again and therefore is the power of the judgment of the nations, is the power of the judgment of the economies and the international bankers who have seized the Light and the Supply of the children of the Light.

And the Ruby Ray does *now* drive into them—the ICCC, the international capitalist/communist conspirators, the first beast whose name is blasphemy, its image, mark, name and number, 666, the dragon which gave it power and every mouthpiece thereof, including the false pastors and false gurus in Church and State, the second beast that "doeth great wonders" and "deceiveth them that dwell on the earth"; all Communist liars, murderers and their capitalist supporters in the USA and Canada, the British Isles, Europe and the Middle East, Nicaragua, El Salvador, Mexico, Costa Rica, Cuba, Central and South America, Afghanistan, Ethiopia, Angola, Mozambique, South Africa, Namibia, all of Africa, Burma/Myanmar, Thailand, Laos, Cambodia, Vietnam, North and South Korea, the Philippines, all of Southeast Asia, India, China, Russia and the former Soviet republics, Tibet—all their hate and hate creation, all of their betrayal of the Word and the Great White Brotherhood by the power of millions of legions of angels who will no longer allow this trampling upon the Holy City and the temple of our God.

So it is done. So the Ruby Ray does go forth, and it does penetrate deep into the psyche and that very core of the hate and hate creation harbored against the Mother, and the Messengers, and the heir of the *LORD* of the vineyard. For truly those who come as the Messengers of God are the heir of Sanat Kumara! And all who are their children, all who are their Keepers of the Flame are the heirs of Sanat Kumara!

And therefore those who have murdered the heirs of the Cosmic Christ from the beginning are bound in this hour in answer to the call of the Cosmic Christ Maitreya and the legions of The Faithful and True, Sanat Kumara, Gautama Buddha, Jesus Christ and Saint Germain—by the ropes of the Ruby Ray, by the white fire, by the intensity of the Central Sun, by the full power of Helios and Vesta!

Let them give accounting in this hour! Let them tremble before the LORD God! For the Ruby Ray has gone forth from this heart, from the heart of the Sun, and they are bound! And therefore their initiation of the Ruby Ray is the Judgment, even as the initiation of the Ruby Ray of the Lightbearers is for the raising up of the seed of Sanat Kumara unto the path of the ascension.

Therefore they shall not pass! Therefore they shall not stand! Therefore the Ruby Ray is come as the Lord Shiva, the destroyer in the earth of those who destroy the earth! And they are self-consumed therefore by their own destructivity.

And this ray of Light goes forth now, and it is the protection of every Lightbearer who is now cut free and unloosed from their bondage to the sinister force by the power of the Ruby-Ray angels! And they are cut free, they shall be cut free, they shall be born anew into the Light!

And the Everlasting Gospel shall go forth, and the Light shall clear the way for the abundance of every good and perfect gift for the raising up now of all of God's purposes! And it shall be fulfilled in me, every Keeper of the Flame, Lightbearer and communicant of Church Universal and Triumphant, and I claim the mantle and the opportunity and the day of sacrifice and the day of surrender unto the Ruby Ray!

The Lord Sanat Kumara therefore has stretched forth his hand. The LORD thy God shall reveal Himself in the outworking of events. Know the LORD!

Buddha of the Ruby Ray, come forth! (3x)

Descend now! Descend now! Descend now! Descend now!

Legions of Light, herald the descent of the Buddha of the Ruby Ray, herald the descent of the Divine One!

Buddha of the Ruby Ray, descend now by Mighty Cosmos' secret rays into the heart of hearts of the Holy of Holies of these thine own Keepers of the Flame and those who have the Light throughout this earth body.

O lightning of Heros and Amora, O Paul the Venetian, Heros and Amora, Maha Chohan, Heros and Amora, Chamuel and Charity, legions of the Lord Sanat Kumara, legions of Ruby-Ray angels and of the third ray, legions of the cosmic cross of white fire, legions of the seven beloved archangels, legions of Justinus, Captain of Seraphic Bands, Nada of the flame of love, Goddess of Liberty, descend now!

So everywhere in the heart of heart of the earth is the Ruby Ray gone forth now!

Lo, Elohim. Lo, Elohim. Lo, Elohim.

And the divine judgments were sent forth from the great white throne and Him that sat upon it, even the LORD God. Thus the LORD of the vineyard has spoken. Thus the Light of the Ruby Ray has gone forth. And the power of Serapis Bey shall sustain it in the physical octave with seraphim and the Maha Chohan as that Light is present in holy dove, in every saint, associate, and member of the Great White Brotherhood, ascended and unascended.

Safety in the ark of the LORD! (3x)

Come ye into the ark of the LORD!

Come ye, then, into the ark of Maitreya and the ark of the covenant and the flame of the ark!

Come ye into the Shekinah Mother !

Come ye into the Light of Father!

Safety in the ark of the LORD.

Safety in the threefold flame.

Safety now in thy Christ and mine.

Safety in the I AM THAT I AM.

Safety in the mantle of the Great White Brotherhood. (2x)

Safety in the ark of the LORD.

Safety in the Word.

Lo, I AM the Word! Lo, I AM the Word!

Lo, I AM the Word incarnate of the Ruby Ray as Above so below, as Above so below!

I AM, we are Chamuel of the flame, Charity of the flame!

I AM the inner name.

I AM the Light of the inner name descending! (4x)

I AM the Light of the inner name descending now into this heart and focus of the Ruby Ray!

Lo, I AM THAT I AM.

In the name I AM THAT I AM, Amen.

And in full Faith I consciously accept this manifest, manifest, manifest! (3x) right here and now with full Power, eternally sustained, ail-powerfully active, ever expanding and world enfolding until all are wholly ascended in the Light and free!

Beloved I AM! Beloved I AM! Beloved I AM!

Archangel and Archeia of the Third Ray

O come, belov'd Archangel of Love

Stand in our midst today

Beloved Chamuel!

O Lord of heaven's Third Ray (x2)

O Charity, belov'd complement

Twin flames from heaven sent

Beloved Charity!

Pink flame of majesty (x2)

Refrain: O come, flaming cherubim, seraphim

Who abide in the fires of creation (x2)

Raise thy flaming sword on high

Cherubs gather now in the sky

Our hearts expand with gentle love

Enfolding love, adoring love

Holy Spirit, caress with tenderness

And each one bless.

Refrain: O come, flaming ones from the Great Central Sun

Who abide in the fires of creation (x2)

Take, O take my hand and heart

Feel the love I to you impart

For life is love and love alone

And for mortal error it doth atone

And raise you in redemption's name

Out of the realm of human pain

To behold once again the Light of God

And his true love!

All this I AM

All this ye shall be!

Coda: Ye shall be Love!

Ye shall be Light!

Ye shall be Life!

It is done!

20.12 I RATIFY THE JUDGMENT OF HELIOS

Whereby the Plug Is Pulled on the Seed of the Wicked by Helios

(Invocation made by El Morya)

Lord God Almighty, I AM a Son of the Sun on earth. And therefore, I do declare this day that I ratify the judgments of Almighty God upon the seed of the wicked on earth, the destroyers and the spoilers, the corrupt ones, the godless, the dead and the dying.

I ratify the judgment whereby *the plug is pulled* and they no longer have the source or the access to the Light, and that which they have misqualified is now taken from them. And I declare it in the name of my Mighty I AM Presence and *by* the authority of my threefold flame!

And because I stand in the earth in this hour, I AM standing in the presence of the mighty aura of beloved Helios, which is activated anew each time I make this call. *And* I declare that there be an immediate withdrawal of all sympathizers, idolaters and supporters of the sinister force, East and West.

And I send forth Cosmic Christ illumination, the education of the heart and the *piercing* of the soul and the mind at inner levels, that the lifewaves of earth will come into a sudden enlightenment and an awareness (as in the twinkling of an eye) from their own God Presence. *And* they shall see and know that they must withdraw their support from the seed of the wicked. And I declare it! And I declare the judgment of the Lord Jesus Christ in this hour and I give that Judgment Call here and now:

In the Name of the I AM THAT I AM, I invoke the Electronic Presence of Jesus Christ: They shall not pass! They shall not pass! They shall not pass! By the authority of the cosmic cross of white fire it shall be: That all that is directed against the Christ within me, within the holy innocents, within our beloved Messengers, within every son and daughter of God. . . Is now turned back -

*by the authority of Alpha and Omega,
by the authority of my Lord and Saviour Jesus Christ,
by the authority of Saint Germain!*

I AM THAT I AM within the center of this temple and I declare in the fullness of the entire Spirit of the Great White Brotherhood:

That those who, then, practice the black arts against the children of the Light. . .

Are now bound by the hosts of the LORD,

Do now receive the judgment of the Lord Christ within me, within Jesus, and within every Ascended Master,

Do now receive, then, the full return-multiplied by the energy of the Cosmic Christ— of their nefarious deeds which they have practiced since the very incarnation of the Word!

Lo, I AM a Son of God!

Lo, I AM a Flame of God!

Lo, I stand upon the Rock of the living Word

And I declare with Jesus, the living Son of God:

They shall not pass!

They shall not pass!

They shall not pass!

Elohim. Elohim. Elohim. [chant]

Thus, having concluded this Judgment Call, I demand that the forces of heaven and the mighty Archangels shall come into manifestation, and that Archangel Michael shall descend with legions of Light and all of the Lord's host to cast that devil and his angels and the seed of the devil and the clones and counterparts and counterfeit creation out of the earth; and shall bind the godless

and bind them out of the pit and bind them out of Death and Hell and bind the entire astral hordes: Until Death and Hell are swallowed up in Light and Victory, and are no more and are cast into the Lake of Fire—cause, effect, record and memory—and the platform of earth is therefore prepared for the descent of that greater Light of the incoming great Golden Age, which I look forward to and anticipate as the Second Coming of the Great Central Sun to the earth. This, then, shall be the coming of Alpha and Omega for the sealing of the earth in that immaculate matrix.

And therefore, I summon, as a Keeper of the Flame, all Lightbearers of the planetary body to be as One, to be in one Great Union of Light, and to overthrow the fallen ones who would take over the planetary body and exalt the state as God and have all people as submissive servants and slaves to the Nephilim and the godless and the fallen angels. I stand in the earth and I demand the overturning of their schemes in this hour!

I call for the All-Seeing Eye of God to probe and penetrate the very nuclei and strongholds of the fallen ones, their secret meetings. And I demand that all plots and conspiracies toward terrorism or takeover or the overthrow of the governments of the nations established by Almighty God or the overthrow of the divine plan of the abundant Life shall be exposed now, their perpetrators be bound. And these shall be placed before the judgment of Almighty God and his adjudication. Even so, come quickly, Lord Jesus Christ and all the saints of heaven, to ratify this judgment through me.

And therefore, I demand the casting out of the dweller-on-the- threshold of the entire sinister force of the planetary body by this my Call for the Binding and the Casting Out of the Dweller-on-the- Threshold: **[Here give decree 20.09.]**

In the name I AM THAT I AM SANAT KUMARA, Gautama Buddha, Lord Maitreya, Jesus Christ.

I CAST OUT THE DWELLER-ON-THE-THRESHOLD of __

In the name of my beloved Mighty I AM Presence and Holy Christ Self, Archangel Michael and the hosts of the LORD, in the name Jesus Christ, I challenge the personal and planetary dweller-on-the-threshold, and I say:

You have no power over me! You may not threaten or mar the face of my God within my soul. You may not taunt or tempt me with past or present or future, for I AM hid with Christ in God. I AM his bride. I AM accepted by the LORD.

You have no power to destroy me!

Therefore, be bound! by the LORD himself.

Your day is done! You may no longer inhabit this temple.

In the name I AM THAT I AM, be bound! you tempter of my soul. Be bound! you point of pride of the original fall of the fallen ones! You have no power, no reality, no worth. You occupy no time or space of my being.

You have no power in my temple. You may no longer steal the Light of my chakras. You may not steal the Light of my heart flame or my I AM Presence.

Be bound! then, O Serpent and his seed and all implants of the sinister force, for I AM THAT I AM!

I AM the Son of God this day, and I occupy this temple fully and wholly until the coming of the LORD, until the New Day, until all be fulfilled, and until this generation of the seed of Serpent pass away.

Burn through, O living Word of God!

By the power of Brahma, Vishnu and Shiva, in the name Brahman: I AM THAT I AM and I stand and I cast out the dweller.

Let him be bound by the power of the LORD's host! Let him be consigned to the flame of the sacred fire of Alpha and Omega, that that one may not go out to tempt the innocent and the babes in Christ.

Blaze the power of Elohim!

Elohim of God—Elohim of God—Elohim of God

Descend now in answer to my call. As the mandate of the LORD— as Above, so below—occupy now.

Bind the fallen self! Bind the synthetic self! Be out then!

Bind the fallen one! For there is no more remnant or residue in my life of any, or any part of that one.

Lo, I AM, in Jesus' name, the victor over Death and Hell! (2x)

Lo, I AM THAT I AM in me—in the name of Jesus Christ—is here and now the victor over Death and Hell! Lo! it is done.

Having so given this Call, I now call forth the solar ring for the victory of all life, for the sealing of those places great and small— both where the Light dwells for the victory of Light and where evil dwells for the acceleration of Light there, and for Light's judgment of those evil nests of serpents, the very core of the wicked worldwide.

In the name of the Father, the Son, the Holy Spirit and the Mother, I accept it done this hour in full power. *And* I stand in the earth as an emissary of Helios and Vesta until the New Day when the entire planetary home shall be full of Light and only Light; and the earth is prepared and purified and ready, then, for the evolutions of Light that are to come. *[Here give decree 0.30.]*

In the name I AM THAT I AM, I stand the Son of God in the earth. Clothed upon with the Sun of Righteousness, I AM come with healing in my wings! I AM the descending fire-light from my point of origin in the heart of God, in the heart of my own Mighty I AM Presence!

I stand now God-centered in my own Christ Self, and by the flame within my heart, I do now draw the solar ring around my forcefield as the base and foundation of my life in the earth and around _____ (You then draw this ring completely around, and reinforce it with the left hand after it is drawn with the right.)

I now call forth, in the invincible Word of the Logos I AM THAT I AM, my invincible tube of light established upon the platform of the solar ring for the sealing of my identity, my soul, my heart, and my mind within this mighty tube of light by the power of the solar ring—that I may go forth a son of God in the earth, using the power of seraphim for the protection of communities and nations and the earth body.

Therefore, in the name of Almighty God, in the name of the Father, the Son, the Holy Spirit, and the Mother, I do establish in this hour my tube of light for the sealing of my sonship to this Word and Work of the LORD and for the sealing of _____ .

(VIOLET FIRE AND TUBE OF LIGHT DECREE 0.01)

O my constant, loving I AM Presence, thou Light of God above me whose radiance forms a circle of fire before me to light my way:

I AM faithfully calling to thee to place a great pillar of Light from my own Mighty I AM God Presence all around me right now today! Keep it intact through every passing moment, manifesting as a shimmering shower of God's beautiful Light

through which nothing human can ever pass. Into this beautiful electric circle of divinely charged energy direct a swift upsurge of the violet fire of Freedom's forgiving, transmuting flame!

Cause the ever expanding energy of this flame projected downward into the forcefield of my human energies to completely change every negative condition into the positive polarity of my own Great God Self! Let the magic of its mercy so purify my world with Light that all whom I contact shall always be blessed with the fragrance of violets from God's own heart in memory of the blessed dawning day when all discord—cause, effect, record, and memory—is forever changed into the Victory of Light and the peace of the ascended Jesus Christ.

I AM now constantly accepting the full power and manifestation of this flat of Light and calling it into instantaneous action by my own God-given free will and the power to accelerate without limit this sacred release of assistance from God's own heart until all men are ascended and God-free in the Light that never, never, never fails!

In the name I AM THAT I AM, as a son of God standing in the earth, I therefore call forth the solar ring around my life, and I call forth concurrently the twin pillars of Alpha and Omega, Helios and Vesta, the seven mighty Elohim, the God and Goddess Meru, my own twin flame, Saint Germain and Portia, the mighty archangels and archeiai, and the messengers from the Sun.

In the name of Jesus Christ, I therefore seal myself in the Law and the flame of God Harmony and I call for the invincible protection of the legions of the first ray around this tube of light and around that solar ring. And I accept it done this hour in full power. Amen.

THE ASCENSION FLAME

226

Meditation on the Retreat at Luxor

Along the Nile, within the halls of Luxor
Flame of Ascension dwells
That to each one aspiring unto heaven
Beauty of Light foretells.
As through ascension's door
We see creation's lore
This is the goal of God—transcendent
Love has willed
The Christ flame in man—immortality sealed.
Serapis Bey, belov'd hierarch of Luxor
Our love to thee e'er flows
For thy great Presence, God's sustaining power
Each passing moment grows.
Our joyful praise ascend
With angel voices blend
It brings to earth God's truth, his mighty
Radiance so fair
The glory of heav'n in which all men may share.
Ascension's flame, thou gift from God the Father
Raise all in Freedom's name
As we invoke thy purity and balance
Thy mighty pow'r proclaim
That each one may be whole
Ascension is our goal
Great is thy Presence, Lord, thy Presence
Wisdom's love
Our gratitude sings for all eternity—eternally.

Our Love to the Hierarchs of the Fourth Ray

With our love, glad voices we raise
Alpha/Omega, Central Sun:
Emblazon flame of Purity mighty
With Light sweep all the earth in Vict'ry
As the sun shines pure in his strength
The pure in heart our God shall see.

Elohim of Purity's ray
Mighty Astrea, hear us pray:
Now blaze forth through the veil of all shadow
The pure radiance of Light from heaven
Purify and circle us all
Thy mighty sword and sphere of fire.

Gabriel, archangel of Light:
Announce to all the virgin birth
The concept, holy image of Purity
Immaculate the Light from heaven
Gabriel, angels of thy band
Purity's Light release to all.

Lord of Light, our Serapis Bey
Chohan of the ascension flame:
Infuse us with thy vision of Purity
Nobility inspire within us
O to thee, Serapis, we call
From Luxor's flame ascend and free.

Holy one, now crowned of the Sun
Goddess of Purity, thy Light
Will raise us into heaven's great glory
Where angels ever praise the Father
Singing "Holy, Lord of all Life
Praise to the Light, the name I AM."

Angel of loveliness, Faith, friend so true
Keep us in holiness, our faith renew
Lift us to heaven's height, there let us see
Blest Michael's cosmic might now and e'er one with thee.

Hope, blessed angel bright, hear thou our call
In pure and holy light enfold us all
Help all thou lov'st so well to heav'n regain
There with blest Gabriel forevermore to reign.

Our blessed Charity, angel of love
Hold all in purity from God above
Blest Chamuel's complement, lovely thou art
Help thou our God-intent to be of thee a part.

Faith, Hope, and Charity, from thee we see
Each sacred quality flow constantly
Teach us thy truth divine, e'er light our way
Show us our God-design and ever with us stay.

The Sealing of the Decree Session

Our beloved Father, we call to the holy angels who serve at Thy Throne of Grace to receive now, by the heart of our own Holy Christ Self, the full-gathered momentum of our prayer.

Let this decree session to Saint Michael the Archangel be multiplied now by the immaculate heart of Mary, by the sacred heart of Jesus, by the purple fiery heart of Saint Germain, by the magnanimous heart of Lanello, the obedient heart of Godfre, the pure hearts of Saint Therese of Lisieux and all saints ascended, and the just and true and faithful and righteous hearts of all saints unascended.

In the name of the living Word, let our prayers be caught up in the very heart of the Cosmic Christ Lord Maitreya and be sealed in the very heart of Archangel Michael for use in those hours when loved ones and Lightbearers are in need of an immediate transfusion of Light and the protection of the Captain of the LORD'S Hosts.

So let this reservoir of our decrees of Light in your heart, O mighty angel of the sacred fire, O beloved Maitreya, now be for the healing of nations, the protection of the Holy Church, the faithful and true witnesses, and the Ascended Masters' activity on planet earth.

In the name of the entire Spirit of the Great White Brotherhood, I consecrate these hearts as chalices of the living Light of Archangel Michael and his dynamic decrees through us. So it is done in the name of the Father, the Son, the Holy Spirit, and the Mother. Amen.
