VIOLET FIRE AND TUBE OF LIGHT DECREE

0.01

by the Ascended Master Saint Germain

O my constant, loving I AM Presence, thou Light of God above me whose radiance forms a circle of fire before me to light my way:

I AM faithfully calling to thee to place a great pillar of Light from my own Mighty I AM God Presence all around me right now today! Keep it intact through every passing moment, manifesting as a shimmering shower of God's beautiful Light through which nothing human can ever pass. Into this beautiful electric circle of divinely charged energy direct a swift upsurge of the violet fire of Freedom's forgiving, transmuting flame!

Cause the ever expanding energy of this flame projected downward into the forcefield of my human energies to completely change every negative condition into the positive polarity of my own Great God Self! Let the magic of its mercy so purify my world with Light that all whom I contact shall always be blessed with the fragrance of violets from God's own heart in memory of the blessed dawning day when all discord—cause, effect, record, and memory—is forever changed into the Victory of Light and the peace of the ascended Jesus Christ.

I AM now constantly accepting the full power and manifestation of this flat of Light and calling it into instantaneous action by my own God-given free will and the power to accelerate without limit this sacred release of assistance from God's own heart until all men are ascended and God-free in the Light that never, never, fails!

This decree was released with the dictation by the Elohim of Peace given January 3, 1965. The Elohim of Peace expressed his desire that all connected with The Summit Lighthouse and with Saint Germain learn how to place the Great Sun Disc over the solar plexus. He said: "I would like you to learn how to magnify the power of that disc of Light so that you are not so vulnerable to the onslaughts of others When peace has gone, *everything* has gone and there is nothing left. And only when you come to a point where once again, through the power of interior equilibrium, you have found your balance does the power of peace begin to flow and do you start again to build those wondrous castles in the air—castles of hope—that may well materialize into the blessings you seek *because* you have kept the peace."

Beloved Mighty I AM Presence, beloved Holy Christ Self and beloved Jesus the Christ: Blaze your dazzling Light of a thousand suns in, through and around my four lower bodies as a mighty guardian action of the Light of God that never fails to protect the peaceful outpicturing of God's plan through my every thought, word and deed.

Place your Great Sun Disc over my solar plexus as a mighty shield of armour that shall instantaneously deflect all discord whatsoever that may ever be directed against me or the Light for which I stand.

I call now in the name of my Mighty I AM Presence to the Elohim of Peace to release throughout my entire being and world the necessary action of the mighty flame of Cosmic Christ Peace that shall sustain in me the Christ consciousness at all times, so that I may never be found engaged in a release of misqualified energy to any part of life, whether it be fear, malice, mild dislike, mistrust, censure or disdain.

I call to beloved Saint Germain to seize all energy that I have ever released against my brethren and that has caused them any form of discomfort whatsoever. And in the name of my Mighty I AM Presence I command that that energy be removed from their worlds— cause, effect, record and memory—and transmuted by the violet flame into the purity and perfection that is the sacred-fire essence of God, that the earth and all elemental life might be cut free forever from human creation and given their eternal Victory in the Light!

I accept this done right now with full Power! I AM this done right now with full Power! I AM, I AM, I AM God-Life expressing Perfection all ways at all times. This which I call forth for myself I call forth for every man, woman and child on this planet

Beloved I AM! Beloved I AM! Beloved I AM!

MANTRA: ***O disc of Light from heaven's height,
Descend with all your perfection!
Make my aura bright with freedom's Light
And the Masters' love and protection!*** (9x)

POUR OUT THE RADIANT GOLDEN OIL OF PEACE

0.02a

by the Elohim of Peace

The Elohim of Peace has asked us to use this prayer daily, visualizing a great fiery sun disc at the solar plexus, 'the place of the sun,' the place where Cosmic Christ peace must be established in us, sealing the chakras below the heart and guarding the sacred fire in the four lower bodies.

Beloved Mighty Presence of God, I AM in me, and beloved Elohim of Peace: from the zenith of the heavens pour out the radiant golden oil of peace unto the horizon of my world—to the 360 degrees of the circumference of my being that extends to the borders of time and eternity!

Fill the circle of my world and the worlds of all children of the Light with such an effulgent Light and Love as is the manifest power of the Elohim of Peace that no dissonance or any other variant of peace can manifest where I AM—in the heart of Peace!

MANTRA:

***Beloved Elohim of Peace:
From the Zenith of the Heavens
Pour Out the Radiant Golden Oil of Peace
Unto the Horizon of My World! (9x)***

Enough! I have had done with my human creation and I choose to enter the path of the Elohim of Peace! I choose to now receive the original endowment of peace that Elohim Peace gave upon the founding of this organization.

I shall become that point of peace to which every angel ministering on earth shall have recourse. Yes, in my heart the flame of peace shall abide. Therefore I shall be unmoved. I shall not be moved by what does transpire *anywhere* outside the circle of my being or within it.

This day I have said: Enough is enough! I am the victim of my own wrong desiring. I am the victim of my abuse of my four lower bodies. I am the victim of my karma. And this day I say, I shall no longer be the victim of myself but I shall be the instrument of God!

I shall walk out from this court and I shall keep my vow to keep my counsel, keep my peace, keep the sealing of my words and to control the flashing forth of dark thought or feeling and the revolving of negative spirals of the memory.

I can do all of this, for I am the child of the heart of El Morya, my beloved. I can do all of this because my God is with me. I have a path, I have Maitreya, I have a Messenger whom I can see and touch and who will love me and comfort me and help me and rebuke me and lead me.

Yes, I am in the best possible position that my karma allows me to be in. For I know there is no injustice anywhere in the universe and I am truly convinced that there is mercy beyond mercy that I have this opportunity this day to remake myself by the power of Elohim in the image and likeness of Almighty God, by the power of the Word with Brahman in the Beginning.

Yes, I will work with Elohim of Peace. And I know that because God sent Elohim to endow this activity that this activity is sponsored from the Elohimic level and all the power of Elohim is upon me and the mighty chalice of the resurrection flame in the Heart of the Inner Retreat. Yes, I shall take the dispensations of Elohim, for they are power in the seven rays. They are the power of Alpha and Omega. And I shall remake myself that I might carry the spiral of the next thirty-three years of this activity until The Summit Lighthouse transcends the octaves here below as Above and its beams shed their powerful light into the depths of Death and Hell so that souls caught in those levels may follow the beam to the heart of their I AM Presence and receive the Archangels' deliverance.

Yes, I will walk in the living flame of peace. I shall be a true pilgrim of peace. And I shall show the two-edged sword dividing the Real from the Unreal, binding the engines and elements of war.

Yes, I know the meaning of true peace and I know it is not pacifism. I know that the power of peace will swallow up the records of war upon this planet as I take the mantra:

Peace, be still and know that I AM God! (4x)

MANTRA:

***Enough! I have had done with my human creation
And I choose to enter the path of the Elohim of Peace!
Yes, I will walk in the living flame of peace.
I shall be a true pilgrim of peace.***

***And I shall show the two-edged sword
Dividing the Real from the Unreal,
Binding the engines and elements of war.
Peace, be still and know that I AM God! (4x)***

0.05 I AM ALERT, AWAKE, AWAKE!

I AM alert, awake, awake!
I AM alert, awake, awake!
I AM alert, awake, awake!
Come right now and shake,
Shake my mental body's grids;
Remove the ash, transmute it all,
Give me Christ mind for which I call!

Violet fire blazing,
Violet fire blazing,
Violet fire blazing,

God's own Light is raising, raising, raising
All my thoughts, consciousness, too,
To the plane of my Presence, who
In God's name releases all
Wisdom and Balance for which I call. (x9)

O Mighty Threefold Flame of Life,
Thou gift of God so pure,
Take my thoughts and energy
And make them all secure.

Under bond of Brotherhood
And understanding fair,
Send thee forth unto my soul
The gift of holy prayer.

Communication's strands of love,
How they woo by heaven's law
A tender blessing for the good,
Releasing holy awe

That draws me near the throne of grace
To now behold thy sacred face
And without fear dispense aright
The passions of pure God-delight
Which set me free from all that's been
The sinful nature of all men.

Christ, raise me to self-mastery,
The living passion of the free.
Determination, now arise
And lift me ever to the skies!

Continued

I AM, I AM, I AM
Enfolding life and being all
With the God-command
"Amen!" that shatters human pall.
I AM, I AM, I AM
The free—no bondage holds me back;
I AM the fullness of Love's law
Supplying every lack,

And consecration in full measure
Is my will and God's own pleasure.
Saint Germain and Jesus dear,
Hold my hand with Morya's here
And let the love of Mary then
Be the wings to raise all men.

Until they all unite in Love
To serve that purpose from above
That comes to earth at any hour
Responding to the call of Power;
Send thy shining Wisdom then
That is God's love
Expanded for all men.

I thank thee and I accept this done right now with full power. I AM this done right now with full power. This is the full manifestation of the Law of Love that raises me to my eternal Victory, now and forever!

I AM a Son of God. This day I AM charging the substance within my heart that is mine to command with the flame of Love from the hand of Almighty God. I send it forth from my being everywhere in all directions to perform the perfect work of God and to return to me with all the divine Love which I AM sending forth. (x4)

0-07A**I AM THE LIGHT OF THE HEART**

By Saint Germain

I AM the Light of the Heart
Shining in the darkness of being
And changing all into the golden treasury
Of the Mind of Christ

I AM projecting my Love
Out into the world
To erase all errors
And to break down all barriers.

I AM the power of infinite Love
Amplifying itself
until it is victorious
World without end! (x9)

In the name of the beloved mighty victorious Presence of God, I AM in me, my very own beloved Holy Christ Self, beloved Archangel Michael, Prince Oromasis, Mighty Astrea, Goddess of Light, beloved Ascended Master Cuzco, beloved Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth! I decree:

(Visualize the white light filling the ovoid of the aura)

Come now by Love divine,
Guard thou this soul of mine,
Make now my world all thine,
God's Light around me shine.

(Visualize a band of white fire around the solar plexus)

I count one,
It is done.
O feeling world, Be still!
Two and three,
I AM free,
Peace, it is God's Will.

(Visualize a band of white fire around the neck and throat chakra)

I count four,
I do adore
My Presence all divine.
Five and six,
My gaze on Thee sublime!

(Visualize a band of white fire around the head and third eye)

I count seven,
Come, O Heaven,
My energies take hold!
Eight and nine,
Completely thine,
My mental world enfold!

(Visualize the white light encircling all of the chakras and the four lower bodies)

The white-fire Light now encircles me,
All riptides are rejected!
With God's own might around me bright
I AM by Love protected!

(x9)

I accept this done right now with full Power! I AM this done right now with full Power! I AM, I AM, I AM God-Life expressing Perfection all ways at all times. This which I call forth for myself I call forth for every man, woman, and child on this planet!

0.08 GREAT CENTRAL SUN MAGNET INVOCATION

by Surya and Cuzco

O LORD God Almighty, maker of heaven and earth, I call to thee in the name of the Christed ones, in the name of Jesus the Christ and Mary the Mother, in the name of Saint Germain. I call to thee in the name of the Great Divine Director, in the name of Surya and Cuzco and Mighty Cosmos, the seven mighty Elohim, the seven beloved Archangels, and the seven beloved Chohans of the Rays. And I say, in the name of the Father and of the Mother and of the Son and of the Holy Spirit:

Seal the arc of contact between my heart and thine own! O LORD God

Almighty, seal the arc of the contact! Seal the arc of the contact! And now let flow the coils of Alpha and Omega, the spirals of the Great Central Sun Magnet. And let me receive as I am able, as my chalice is stable and worthy to receive these energies winding about the coil of being, manifesting the magnet of the Sun. O Alpha and Omega, let me be thyself in Mater! Let me be a focus of the magnet of the Great Central Sun!

In the name of the Christ within me and my own beloved I AM THAT I AM, in the name of the Holy Spirit and the Flame that blazes upon the altar of my heart, in the name of the sacred fire breath, I call for the action of the Great Central Sun Magnet to demagnetize these planes of Mater of the energy veil. I call for the transmutation of all human karma. I call for the transmutation of the karma of the Dark Cycle by the action of the Great Central Sun Magnet which I AM.

I call for the balancing of life in the four planes of consciousness and in my four lower bodies. I call for the seed of Light that is the blueprint of my Ascension and my Victory. This which I call forth for myself, I call forth for all mankind, the elemental kingdom, and the angelic hosts. And let this invocation be according to the mathematics of the will of God, as Above so below. Let it be sealed in the name of the Father and of the Mother, of the Son and of the Holy Spirit.

The Great Electronic Fire Rings

And I beheld the great electronic fire rings
Of the Great Central Sun.

I saw the surface thereof as of molten gold
Blending with an azure blue.

The sky became a sea and, behold, the soft glow
As of pale pink roses of living flame
Bubbling on the surface beneath.

Translucent, then transparent, a white fire core
That pulsed and rose and fell with a holy radiance
Inundated my soul.

My eyes I sought to shield from the glorious wonder
Which I knew to be Reality, Infinity and Love without end.

All Knowledge, all Power, all Love Going on forever
Having neither beginning nor ending
Were before me.

And I saw the naturalness of home, of friends, of family
All that ever was and is or is to come.
Ribbons of interconnecting glory from this gigantic orb
Spread into space from galaxy to galaxy,
star system to star system.

And the song of the music of the spheres
Moved upon the strings of my heart
As a lute of fire.
I heard the turning of seemingly silent spheres
And tones of cosmic fires, of dead and dying worlds.

Systems moving outward into far-flung deserts
Margins spread apart
Yet engulfed in the love of the Center.
My soul was separated from earthly consciousness
I roamed through spiral nebulae
Through gossamer veils of light
Through flaming hair of Seraphim
Places of the Sun
The turning of empty worlds.
I understood the message of the elder ones
The consciousness of a little child, innocent of heart
I knew the pure in heart should see God.

My heart burst as chunks of ice became a warm
liquid reviving hope within my bones
O Love, thou wouldst not separate me from eternity
Celestial manifestation of God, the dawn of foreverness.

Elohim (*Eiohim*), Elohim (*Eiohim*), Elohim.

I AM everywhere in the consciousness of God!
